

Monday 26th April 2021

Today we went to deliver the Thank You letters and Picture that we had made for the Super Heroes working at the Painswick Surgery, which we had made during our Enquiry, 'What makes a Hero?'. All the doctors, nurses and office staff came out to welcome us and talk to the children. They were really touched by the children's thoughtful words. The children walked to and from the Surgery beautifully and were very well behaved the whole time. Well done Mole Class.
